

Common Writing Assignment: Science

Is the Earth flat or round?

Only several hundred years ago, there was a great debate about whether the shape of the Earth was flat or round. Using multiple pieces of evidence that you have gathered in your studies of Planetary Science, create the strongest possible argument to support your claim about the shape of the Earth.

Don't Forget to...

Plan your writing using an outline, web or graphic organizer. As you write each draft of your assignment, it's important to use what you know as a writer to communicate your ideas effectively.

- ✓ Provide a clear claim that answers the question.
- ✓ Include evidence -- using data from class activities, experiments and other resources.
- ✓ Include reasoning to show how your evidence supports your claim.
- ✓ Use vocabulary that you have learned in science class.
- ✓ Correct grammar, punctuation, and spelling errors.
